The Student Council began a new endeavor to keep Thomas Jefferson as a lasting tradition by applying for a national landmark due to its remarkable example of Spanish architecture somewhat resembling a castle. JEFF has been involved in many exciting events such as being selected as the most outstanding High School in the nation. Then in Life Magazine, Jeff was featured as

the most modern High School in the United States. Jeff students are very happy to announce that the Student Council initiated the idea of making Jefferson a HISTORICAL LANDMARK of the 80's; thus giving us our theme for this year **Making Our Mark in '83!**—not only historically, but athletically and scholastically as well!

Fashions came and went and Jeff students were quick to follow it and set the pace. The year's most popular styles included those famous jeans such as Jordache and Calvin Klein. Whether it was shirts, shoes or jeans, Jeff was sure to have the look.

# MUSTANGS Practice Hard

What do you see at Jeff around 7:00 in the morning and 6:00 in the afternoon when students from other schools are at home already? You will certainly see many of our students who are involved in Sports, Band, Lassos, Speech, Drama and R.O.T.C. still hard at work perfecting plays and routines. Jeff students do not mind the long hours because they want to do their best when representing Jefferson. All the long hours seem like minutes when Jeff comes home first place.

# "83" SENIOR LEADERS

# Monticello Editor-In-Chief

## Carmen Gonzales

Being Editor-In-Chief of the Monticello has been the climax of my high school years. I have been able to view, explore and take an active part in school life. I have had the opportunity to give the student body a book that will capture their years at Jeff. There are many pressures,

obligations, responsibilities plus a need for complete dedication. I am very happy that I was blessed with a dedicated staff. Being Editor of the Monticello will have been the most rewarding experience at Jeff.

I leave to my staff my most common saying "GET TO WORK!"

# Declaration Editor-In-Chief

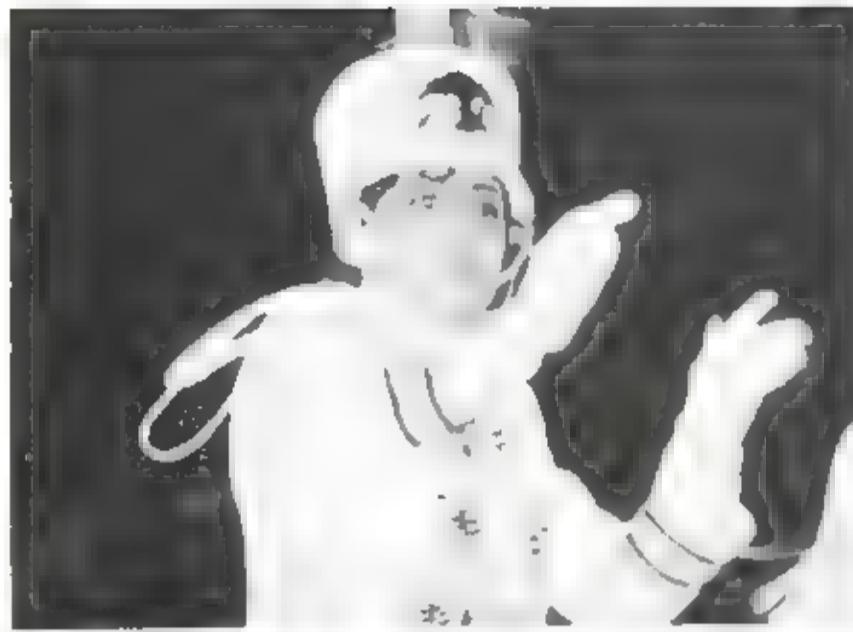

**Susan Essex**

To me, being Editor means a lot. It means coming up with good story ideas, putting up with half-crazed staff, facing deadlines, proofreading ERYTHING, finding ads, doing impossible layouts, writing last minute stories and enduring relentless hours at the printers. All this and you're first to bear the complaints and first to

share the glory. An Editor does this in hope for a quality paper. I hope this is what I have accomplished.

The event I will remember most from my Senior year will be Graduation! Just being able to finally cross stage will be an experience in itself!! Everyone that knows me would say my favorite slang would be "AWE-SOME!!"

# Drum Major

Kathy Galaviz

After a rehearsal, I would call the band to attention and ask "Band, how do you feel?" and of course they would say "We feel good, oh, we feel so good..." I'll remember, but miss, the "family" atmosphere between band members. After spending so much time together such as during summer band, morning rehearsals, and after-school rehearsals, you can't help getting close to them.

Being a leader

20

means being dedicated to a certain organization helping others compromising, and trying to understand others. You need to be open minded and ready to listen to suggestions that can help the whole organization. Being a leader also means being able to take charge of a situation with the respect and support of the members of the organization. Respect and support must be earned.

# Senior Class President

Being a leader has taught me to be a responsible person. It has also permitted me to work closely with others. I have grown to appreciate those who have helped me along in my term. I really enjoy work-

ing with those who worked with me, and if given the chance, I would do it all over again. My favorite saying is "Lay-Tal!" My most memorable experience of my Senior year will be Graduation.

# Student Council President

A.

Lee Anne Huskey

Being a leader at JEFF is demanding and a lot of responsibility. I enjoy the challenge. A lot of blood, sweat and tears come with being a good leader and it's great. Of course, there's a whole lot of fun involved too!

The most memorable experience I've had as Student council President is working to get Thomas Jefferson designated as a local, state and national landmark. We've taken the final steps and met a whole lot of people.

I chose to run for office because I thought I could do something good for the school. I thought I could contribute a part of myself to Jefferson. "Dork!" and "What's the DEAL!" are two of my favorite expressions.

# Battalion Commander

Being a leader, especially of a corps as large as ours, is a tremendous responsibility but the rewards and satisfaction make it all worthwhile. I think it has been worth it! I've got it! I'll remember all the great people I've met and all the athletic events, dances and plays. Thank goodness for yearbooks! The best memory in

my senior year was 1. receiving the Youth Optimist in Military Award. 2. Our annual formal inspection March 7, (in JROTC). My favorite saying: "I Wanna Go Home to My Mom!" I plan to attend college majoring in Business Administration and then attempt Law School (corporate law).

Cynthia Martinez

# LASSO MAJOR

Dianne Gonza

Being a leader means taking on a great deal of responsibility and being able to be in two places at one time. I learned to deal with pressures I never had before. I also learned that true friends do stand by you in times of crisis. Being a leader means I have to learn how to budget my time and cooperate with others.

I will remember my years here with Jeff as the best four years of my life. Also I will remember Graduation, Jr.-Sr. Prom and being Lasso Major. My most common saying is "Any-way!"

# Each Has Spoken Editor-In-Chief

A.

B.

Tami Kahl

I became a leader because I wanted to participate and be actively involved in the publication of the students' creative art work and poetry in the EACH HAS SPOKEN. I will always remember the

musical contests, EHS activities (book sale, etc.) completed publication of the literary magazine, and of course, the football games

My most common saying would have to be "Good Deal!"

# Student Council Seeks Landmark Decision

According to Student Council records, making Thomas Jefferson into a local, state and national landmark has been the biggest undertaking by the Student Council. Sparkling pride in the school by students made the landmark decision possible.

Other activities accomplished by the Council were numerous pride boosting projects such as Pride Week and Spirit Week; the commencement of Arbor Day; Bowl-a-thons; attendance parties; the making of various banners; and Teacher Appreciation Week. The council is kept busy by the selling of ads for the football program in summer to the banquet in May.

The MONTICELLO adds another chapter to JEFF'S novel of the past years. The Staff has had **GREAT PRIDE**: in capturing last memories, in keeping our strip of campus up for Pride Weeks; in supporting the Mustangs at pep rallies! **LONG HOURS**: we not only work parttime, but we work fulltime and even overtime just to meet our deadlines, and to make banners and posters. **LOTS OF HARD WORK**: for instance layout designs, photos, copy designs, etc . . . **AND A GREAT DEAL OF COMMITMENT**: many times students don't realize what the staff has done for the student body by putting many pages together of different clubs, sports, student activities, and the four different classes; they have given Jeff students a photo-record of their years at Jeff. One of the reasons the MONTICELLO Staff tries so hard is to see the excitement on everyone's faces on distribution day!

# Staffers Out To Dinner

After a long year of hard work and success, the Monticello and Declaration staffs celebrated with an annual banquet. ## The Thespians

The goal of the Thespians club is to inspire young people to take a good look at theater productions as a possible future career. This year Thespians won 1st place in Pride Week by the beautification of the Thespians' island. The Thespians club is a nationwide club. It is composed of only honor students and is often referred to as the honor society of actors. The club is also based on a system of points. By being in productions or by participating in the many activities organized by the club, members receive points. This year the Thespians were planning to produce their annual play. Due to circumstances beyond their control, it was cancelled. To make up for this loss, the Thespians club planned a trip to Austin to attend a one-act play. They wound up this year's activities with a ceremonial banquet.

# Lariats Support TJ Teams

The Thomas Jefferson Lariats are primarily a pep squad specializing in card stunts which began as a simple idea. In 1966, Miss Dolores Dyer had a dream and with the help of principal, Mr. Robert Chambers, Jefferson had a card section. With dignity and pride, Lariats truly represent Jefferson.

A. Maggio Galvan, Jr., was 1982-83 Lariat President. B. Singing proudly their Alma Mater, Lariats help keep up the spirit during one of Jeff's pep rallies. C.T.J. is one of the traditional stunts. The color and flair of all the stunts such as this portrays Jeff's true spirit for the red and blue.

# Spotlighters Behind the Scenes

The Spotlighters were first organized in 1944 to help with productions, concerts, and other various assemblies. The crew spends many long hours in the auditorium working on scenery and perfecting lighting and sound effects. In past years the crew received credit as a class for being on the crew. This year all crew work is done on their own time and without credit. They are present for rehearsals as well as the actual productions. When first organized, the crew was all male. Today the crew consists of male and female members.

Coach Williamson stated, "This year's team was very exciting to me and also to watch. They gave a great effort all year. We all became very close over the last four years and it is like watching part of your family leave as the seniors graduate. The excitement of the season was worth a great deal to me. We played in front of the largest crowds in years at most of the games during the season but especially in the state playoffs."

# Lady Cagers Face

The 82-83 basketball season proved to be a tough one for the girls' Varsity Team. The girls finished the season with four wins and ten losses. One reason for the team's unfavorable record was size. The team consisted of 8 girls with 4 returning from last season, only one of which was a starter. There were 3 seniors, 1 junior, 2 sophomores, and 2 freshmen. The team felt their best game was against Sam Houston. Even though they lost, they felt they played exceptionally well.

# M.A.S.H.—We'll Miss You

1972-1983

## Mustangs Bid Farewell

A. Could it be that Gabe Rivera, Sedor Sack, and a few Lassos are anxiously awaiting the final segment of *M.A.S.H.*, the 4077th's last bash? B. Senior Kathy Galaviz appears to be enjoying the final *M.A.S.H.* episode after the show's eleven years of T.V. entertainment. C. Maybe senior Mars Flores is a little disappointed here that his favorite show—*M.A.S.H.*—is going off the air? Whatever the case, Mustangs agreed that *M.A.S.H.* left its MARK on them.

## We Want to Thank a Special Group of People

I, Carmen Gonzales, the Editor, would like to thank these very special people from the bottom of my heart, for without their help, it would not have been possible.

Raul Flores, for the cover design and the division pages of our 1983 Monticello Edition . . .

Mr. Terry Peel, our middle man, for helping us with endless tasks and supplies, and Ms. Kay Manna for her excellent typing.

Mr. Victor Weiss, Mr. Fred Harding and Rick Harding for their outstanding photos and support that helped us make it through the year.

Our Photographers: Laura Bustos, Joe Castillo, Rufus Estrada, Pat Carrasco, David Lozano, Pat Allison, Val Arcos, Miguel Caldera, and Mike Powers.

I would like to also give a very big thanks to our Sponsor, Mrs. Sheila Acosta. If I were to give a list of things she did for us, why there would be a second volume of the yearbook dedicated totally to her. We think very highly of our sponsor and we love her, so thank you from the bottom of our hearts.

And, finally, THANKS to the administration, faculty, staff for their continued support all year long.

# Fun in the Sun

## Right on the Mark

Here is a sneak preview of what Jeff students do during lunch. Jeff students enjoy eating in our cafeteria; however, when spring time's around, you will often see students in the patio. Whether they are eating or tossing a frisbee around, they really know how to enjoy themselves. They enjoy the competition, along with showing off to one another.

A. Pat Drittle snatches the frisbee before Ethan Fernandez gets it. B. Jeff students are attacked by frisbees. C. Steve Viola and Diana Rios show off their style in a dual frisbee toss. D. Ethan Fernandez shows his fancy, stylish frisbee curve toss.

# Mustangs Become Jail Birds For a Day

Through the efforts of the San Antonio Independent School District and the National Association of Christians and Jews, Jefferson students were given the opportunity to participate in a jail "lock up" to view the judicial system in progress. The students and teacher who agreed to become arrested were: Rose Aguilar, Cindy Barton, Ida Flores, Raul Flores, Lisa Galindo, Felix Garza, Raymond Henarie, Ray Holguin, John Huron, Fredrico Ng, Rody Nino, Robert Salvalierra, Carlos J. Trevino, Carlos M. A. Trevino, (teacher) Robert L. Zaldivar.

The "lock up" began with each student and teacher being thoroughly searched and then handcuffed. Their rights were read, and then they were taken to the county jail in a police van. Once at the jail they checked in all their personal items and were taken to a room and told to change into prison clothes. They were finger-printed and photographed.

**THIS PAGE:** A. Rey Flores assumes the position while a male officer begins to frisk him. B. Cindy Barton was stung by the questions the attorney asked her on the witness stand. C. Our Vice Principal goes over the courts rules for the due process of a trial.

# Making Our Mark in '83

What is the purpose of a yearbook? Your yearbook, the Monticello, contains all of the special events that have happened throughout your school year. As Editor-in-Chief of the Monticello for the last two years, I feel that my staffers have achieved the recording of these events successfully. It is not a simple task—my staffers worked long and hard hours—and for that I thank them, but I would also like to thank my fellow classmates for supporting the annual publication, because it is their true Jefferson spirit and pride that will keep the Monticello strong!

Our Theme—'Making Our Mark in '83—was developed out of the diligent Student Council's efforts to seek an historical landmark status this year. The staff realizes that Mustangs who leave Jefferson also leave their undying spirit and deep pride as a mark for others to follow.

Thank you,  
Carmen Gonzales  
Editor '81-'83
